

# SENIOR BALLET

Light Sapphire 20ss

Montana 20ss

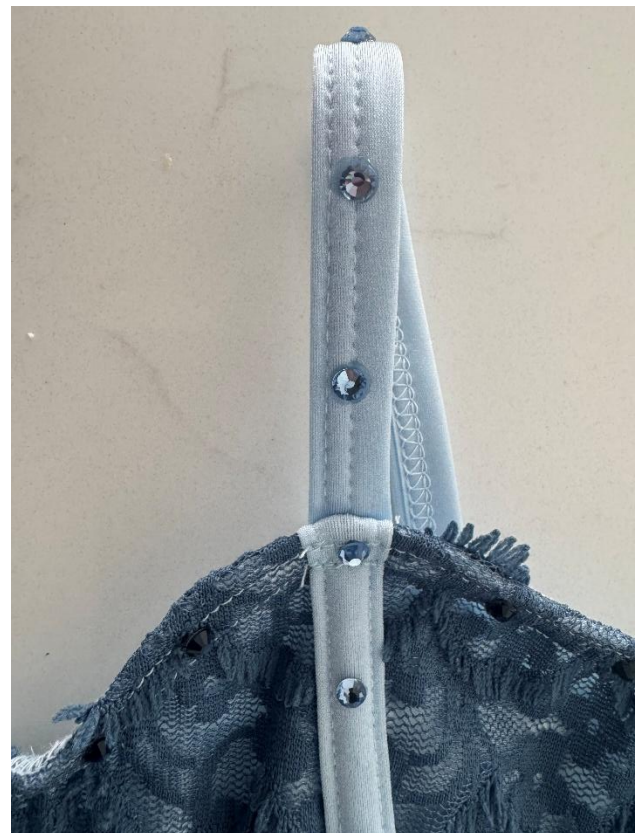

## Light Blue Trim and Straps

**START HERE**

Start by placing one light sapphire stone on the top seam of the trim. Continue by placing one stone 1" apart down the trim. Repeat on the backside of the trim.

For the strap, start by placing one light sapphire stone 1" above the trim seam stone. Continue placing 1" apart along the entire strap spacing as needed to allow the final stone in back to be about 1" from the back seam stone.

### Dark Blue Lace Seam

#### **START HERE**

Place a montana rhinestones 1" apart on the top seam of the costume. Areas that are next to light blue trim, start 1" in. Continue pattern across entire front and back, including the off-the-shoulder area.

### Dress Flower and Hair Piece

Split any remaining montana stones between the dress and hairpiece and scatter them equally on each.
