# Senior Elite Sp Lyrical

20ss: Lt Sapphaire - 308 stones

Start by adding 5 stones around the flower lace outline. At the bottom V all the way to the top and in the center

- Add a single stone on the middle leaf on the outside of the flower

## FRONT TOP

Add a single stone in between the flowers up the V shape and in either side of the flower in the middle

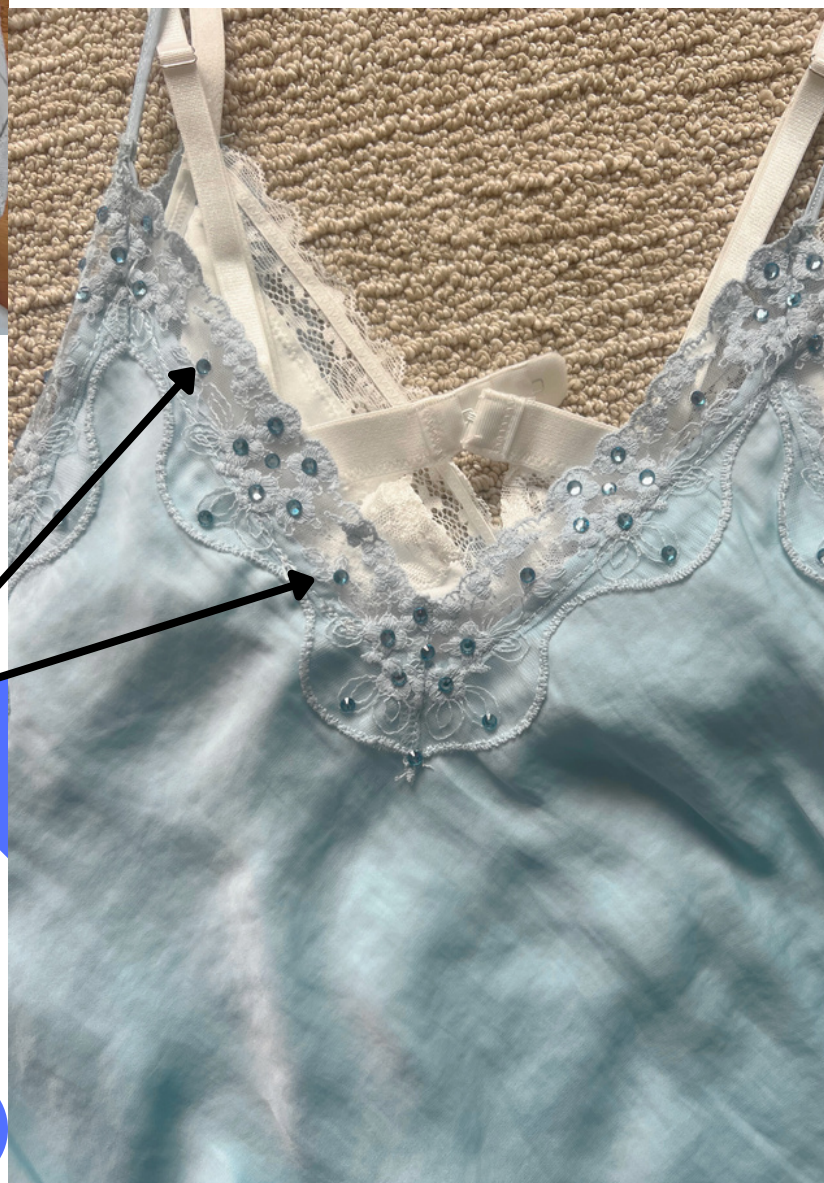

## TOP FRONT FINAL

## BACK TOP

Same pattern for the back as the front, Add stones around the flower and on the outside leaf

- Add a single stone in between the flowers up the V shape

## TOP BACK FINAL

## SIDE TOP

For the side of the top, you will add a stones only on the trim. Add a stone on the two flower petals and then one in between

- Add stones around the bottom of the V of the side flower petals and one stone on the center bow

## SIDE TOP

- Add stones on the leaf and down the middle three stones
- Repeat pattern on both sides

## TOP SIDE FINAL

## SKIRT LACE

- I started by adding single stone on the center of the flower on the lower bottom layer of the lace

- Then I added a stone on the second layer of the lace in the center of flower

- Then I added a stone at the top hemming of the lace to the skirt directly above the lowest lace layer

# SKIRT LACE

Then I added a stone in between the two two stones only on the lower layer of the lace on the skirt

• Note: I did have about 50 stones left over
